

Title, Abstract **Authors** **Keywords, Categories, Special Sections** **Detailed Information** **Electronic Forms**

Author Choice * The AGU Author Choice option establishes a fee-based mechanism for AGU authors or their respective research funding agencies to sponsor the open availability of AGU copyrighted articles on the Web at the time of online publication. Authors choosing the Author Choice Option pay a single fee of \$3500 (\$2500 for Geophysical Research Letters), which is all inclusive except for excess length fees. If you would like to select author choice, please select Yes from the drop down menu.

Yes No

Figure/Table Permissions * At least one table or figure is modified or reprinted from another source?

If Yes, please list the modified or reprinted figure(s) and/or table(s) in the text box below. Then, return to the Files tab, and upload a copy of the permission agreement.

If Yes, please return to the Files tab, and upload a copy of the permission agreement.

Manuscript Comment Please provide below any additional information you wish to convey to staff and the editor.
